

# Girl Talk

## More than just talk

Girl Talk is an organization founded and fueled by the desire to mentor and inspire middle school girls and create leadership opportunities for high school girls, who serve as mentors at no cost to them. Celebrating its fifth year, Girl Talk reaches over 30,000 girls every week, inspiring, challenging and helping to guide girls through the tough middle and high school years.

## Fuel for Inspiration

That's why Girl Talk is excited to introduce our first fundraising campaign, Fuel for Inspiration. Our mission is to help inspire the 12.6 million young girls who need your help. Our goal is to raise \$1 million, generate 500,000 hours of community service, and have 500 active Girl Talk Chapters. Without your help, our chances of reaching these goals are next to impossible.

## 3 simple ways you can help make a difference

- Complete 5 hours of community service in honor of Girl Talk
- Raise \$50
- Start a new Girl Talk Chapter
