About Girl Talk:

Girl Talk (www.desiretoinspire.org) is a national nonprofit organization that establishes positive weekly peer-to-peer mentoring programs for middle school girls, which are led by high school girls. Our mentoring program offers fun, positive weekly meetings, community service projects and friendship building activities for middle school girls.

Girl Talk Chapters are led by high school girls ("Leaders") who serve as mentors, and in turn, Girl Talk Leaders develop leadership skills that they will carry with them throughout life. Girl Talk Chapters help young teenage girls build self-esteem, develop leadership skills and recognize the value of community service. Girl Talk is free and it is very simple to get started. To get Girl Talk started in your community (www.desiretoinspire.org -> click "Start a Chapter"). Girl Talk is web based, therefore, all Girl Talk materials are available on our website. Our online community (Leader Login) provides you with all of the "Leader Resources" needed to ensure your Chapter's success.
